7 Virtual Jazz Club International Masterclasses

The first masterclass by the 7 Virtual Jazz Club is now open for registration

Ferrara, May 23rd 2022 - After the 7 years' experience with the 7 Virtual Jazz Club Contest - the first and only online global competition for jazz musicians - together with the support of an international network of industry specialists (teachers, producers, musicians, journalists and music critics) sharing the goal of introducing new generations to a career in jazz, the 7 Virtual Jazz Club is now hosting its first jazz masterclass, in close partnership with teachers from world-class conservatories and renowned musicians.

The 7VJC masterclasses offer highly advanced musical improvement for jazz musicians of all ages and nationalities.

The masterclasses are geared to medium-to-high level musicians who already own a good knowledge of theory, improvisation and jazz playing.
